FOR YOUR INFORMATION . . .
The tapes included in this catalog are recordings of sermons and lectures given by various pastors, theologians, Bible teachers, and conference speakers who confess adherence to the broad perspectives of historic Reformed theology. We have diligently tried to screen all the materials as to their basic commitment to the Biblical perspectives reflected in the Reformed creeds and confessions. Since, however, no human interpreter of God's Word is infallible, it is the prayer of those responsible for sending forth these tapes that all who listen to them will cultivate the spirit of the Bereans, who "searched the Scriptures daily to see whether these things were so." Also, it should be emphasized that the tapes included in this catalog have been evaluated in terms of their basic content as they were originally given, and the inclusion of them in this catalog should not be construed as an unreserved approval of the men who originally gave them. Christians grow in grace and knowledge with the passing of time, yet it must be recognized that some turn aside from the norms of Scripture. It is our hope, therefore, that no one will attach himself to any of the men whose tapes are included in this catalog on the basis of the tapes alone. We are all commanded to be discerning toward those who would instruct us in the faith. Finally, it would be a tragic abuse of the intent in providing these sermons and lectures should they in any way cultivate a party spirit so clearly condemned by the Apostle Paul in 1 Cor. 3. Paul reminded the Corinthians that all things were theirs-Paul, Cephas, and Apollos included. We, too, may recognize that the various servants of Christ whose voices are heard on these tapes are God's gifts to us and that we are to follow them only insofar as they follow Christ and the clear teachings of His holy and infallible Word! Since not all men have the same gifts, learn to drink from the gifts of many men-not just one fountain.

A BRIEF AND UNTECHNICAL STATEMENT OF THE REFORMED FAITH by B. B. Warfield

1. I believe that my one aim in life and death should be to glorify God and enjoy Him forever; and that God teaches me how to glorify and enjoy Him in His holy Word, that is, the Bible, which He has given by the infallible inspiration of His Holy Spirit in order that I may certainly know what I am to believe concerning Him and what duty He requires of me.

2. I believe that God is a Spirit, infinite, eternal and incomparable in all that He is; one God but three persons, the Father, Son, and the Holy Ghost, my Creator, my Redeemer, and my Sanctifier; in whose power and wisdom, righteousness, goodness and truth I may safely put my trust.

3. I believe that the heavens and the earth, and all that in them is, are the work of God's hands; and that all He has made He directs and governs in all their actions; so that they fulfill the end for which they were created, and I who trust in Him shall not be put to shame but may rest securely in the protection of His almighty love.

4. I believe that God created man after His own image, in knowledge, righteousness and holiness, and entered into a covenant of life with him upon the sole condition of the obedience that was his due; so that it was by willfully sinning against God that man fell into the sin and misery in which I have been born.

5. I believe, that, being fallen in Adam, my first father, I am by nature a child of wrath, under the condemnation of God and corrupted in body and soul, prone to evil and liable to eternal death; from which dreadful state I cannot be delivered save through the unmerited grace of God my Savior.

6. I believe that God has not left the world to perish in its sin, but out of the great love wherewith He has loved it, has from all eternity graciously chosen unto himself a multitude which no man can number, to deliver them out of their sin and misery, and of them to build up again in the world His kingdom of righteousness; in which I may be assured I have my part, if I hold fast to Christ the Lord.

7. I believe that God has redeemed His people unto Himself through Jesus Christ our Lord; who, though He was and ever continues to be the eternal Son of God, yet was born of a woman, born under the law, that He might redeem them that are under the law: I believe that He bore the penalty due to my sins in His own body on the tree, and fulfilled in His own person the obedience I owe to the righteousness of God, and now presents me to His Father as His purchased possession, to the praise of the glory of His grace forever; wherefore renouncing all merit of my own, I put all my trust only in the blood and righteousness of Jesus Christ my redeemer.

8. I believe that Jesus Christ my redeemer, who died for my offenses was raised again for my justification, and ascended into the heavens, where He sits at the right hand of the Father Almighty, continually making intercession for His people, and governing the whole world as head over all things for His Church: so that I need fear no evil and may surely know that nothing can snatch me out of His hands and nothing can separate me from His love.

9. I believe that the redemption wrought by the Lord Jesus Christ is effectually applied to all His people by the Holy Spirit, who works faith in me and thereby unites me to Christ, renews me in the whole man after the image of God, and enables me more and more to die unto sin and to live unto righteousness; until, this gracious work having been completed in me, I shall be received into glory; in which great hope abiding, I must ever strive to perfect holiness in the fear of God.

10. I believe that God requires of me, under the gospel, first of all, that, out of a true sense of my sin and misery and apprehension of His mercy in Christ, I should turn with grief and hatred away from sin and receive and rest upon Jesus Christ alone for salvation; that, so being united to Him, I may receive pardon for my sins and be accepted as righteous in God's sight, only for the righteousness of Christ imputed to me and received by faith alone: and thus only do I believe I may be received into the number and have a right to all the privileges of the sons of God.

11. I believe that, having been pardoned and accepted for Christ's sake, it is further required of me that I walk in the Spirit whom He had purchased for me, and by whom love is shed abroad in my heart; fulfilling the obedience I owe to Christ my King; faithfully performing all the duties laid upon me by the holy law of God my heavenly Father; and ever reflecting in my life and conduct, the perfect example that has been set me by Christ Jesus my Leader, who had died for me and granted to me His Holy Spirit just that I may do the good works which God has afore prepared that I should walk in them.

12. I believe that God has established His Church in the world and endowed it with the ministry of the Word and the holy ordinances of Baptism, the Lord's Supper and Prayer; in order that through these as means, the riches of His grace in the gospel may be made known to the world, and, by the blessing of Christ and the working of His Spirit in them that by faith receive them, the benefits of redemption may be communicated to His people; wherefore also it is required of me that I attend on these means of grace with diligence, preparation and prayer, so that through them I may be instructed and strengthened in faith, and in holiness of life and in love; and that I use my best endeavors to carry this gospel and convey these means of grace to the whole world.

13. I believe that as Jesus Christ has once come in grace, so also is He to come a second time in glory, to judge the world in righteousness and assign to each his eternal award: and I believe that if I die in Christ, my soul shall be at death made perfect in holiness and go home to the Lord; and when He shall return in His majesty I shall be raised in glory and made perfectly blessed in the full enjoyment of God to all eternity: encouraged by which blessed hope it is required of me willingly to take my part in suffering hardship here as a good soldier of Christ Jesus, being assured that if I die with Him I shall also live with Him, if I endure, I shall also reign with Him.

And to Him, my Redeemer,
with the Father,
and the Holy Spirit,
Three Persons, one God,
be glory forever, world without end,
Amen and Amen.

George M. Calhoun (1922-2001), founder of Mt. Olive Tape Library with his wife, Gracie.
Dr. Gregg Singer reviews the TL101 Prophecy series by this anonymous pastor: "The first five tapes on the principles of interpretation are excellent; No. 7 is unusually good, and nos. 8 & 9 on the True Israel are a very much needed corrective for the popular, sloppy exegesis so prevalent in evangelical circles. There is one part in which he deals with the naming of the 12 tribes as part of the 144 thousand as over against the 12 tribes of the Old Testament which is devastating to dispensationalism. On the other hand, in tapes 10-12, though I agree with much that he says, I have some questions at certain points. His calculation that some 16,000,000 Germans lost their lives in the persecution, 1000 A.D. to 1700 A.D., is impossible. That would have wiped out the adult population of much of Germany. Also, Calvin never accepted a state church, and I question his identification of the Papacy with the Beast of Revelation. Apart from these points, his tapes are excellent!"

 Conversion was seen as essentially the result of human effort and not of grace. A semi-Pelagian (or, some would say, an outright Pelagian) view of man, sin, and redemption became a prominent feature of American revivalism. The whole counsel of God was neglected, including original sin, election, true biblical repentance, and the efficacious atonement. In contrast to the earlier American Revivals, those produced by Finney and his followers were culturally sterile and lacked any lasting impact on society. This theology, Singer suggests, and the resulting techniques and gimmicks of modern evangelism will have nothing short of startling, such as the concept that Christianity and democracy are totally incompatible."

"The doctrine of the covenant must always be the great presupposition for all educational activity on the part of Christian parents." So states Dr. C. Gregg Singer in his lecture series on Christian education. Parents are the primary agents of education, and it is only in explicitly Christian education that they fulfill their responsibility and promise to God to rear their children in the nurture and admonition of the Lord. Because education is concerned with the truth, it is a theological matter. True Christian education does not withdraw from the surrounding culture, nor attempt a synthesis with it, but conquers it in the name and for the sake of Christ. The speaker outlines the Scriptural philosophy of education, and traces the development of secular education in American history. Concern for Christian education must involve all believers, not just the parents of young children, because “true revival in the church is born of sound Biblical education.” Dr. Singer reminds us that we are stewards of our minds, and of the minds of our children—a careful study of this tape series will make us better stewards.

THE CHRISTIAN AND POLITICS (11 Tapes)
These lectures were given at the Atlanta School of Biblical Studies immediately prior to the presidential election of 1984. Dr. Singer teaches us about our nation's heritage, and the forces that have removed us from that heritage. He says, "Democracy and the Christian heritage of this nation are in deadly opposition." The listener has the added benefit of hearing Dr. Singer evaluate trends in the current political scene in light of the historical principles. These lectures establish that the heritage of America is a Christian one, despite the writings of the history professors at several evangelical colleges. Furthermore, Dr. Singer states that our nation has not just a Christian heritage, but a Calvinistic one. He shows how the political, economic, educational, social, legal, and cultural life of colonial America and the early constitutional Republic reflect this.

The enemies of our Christian heritage are unmasked, the chief culprit being the philosophy of democracy. Dr. Singer is not shy about naming those who have espoused this philosophy. While demonstrating a vast knowledge of history, he outlines the events that have led us to our present condition.

All Christians who listen to this series will better understand their heritage, and their responsibilities as citizens. This series could also inspire us to endeavor to master our vocations to the extent that Dr. Singer has mastered his. Dr. W. David Gamble, reviewer.

BOOK REVIEW

History of the Protestant Church in Hungary; translated by J. Craig, with an introduction by J.H. Merle D'Aubigne. Jointly published by MO Press, P.O. Box 422, Mt. Olive, MS 39119 and Sprinkle Publications, P.O. Box 1094 Harrisonburg, VA 22803; Published 2001; 560pp; hbk.; $36.00. Reviewed by Byron Snapp.

I knew little of God's work among the people of Hungary until I read this excellent work. The volume, first published in 1854, traces the rise and progress of Christianity in Hungary to 1850. It is full of triumph and setbacks, of covenantal thinking and attacks on such thinking and of the people and places that were closely involved in these long forgotten events.

A major inroad for the Gospel's entrance into the land occurred when the Magyars in the tenth century captured priests and brought these captives into Hungary. These captives brought with them the Word of God, which cannot be bound. God's unleashing of the Gospel was not appreciated by those whose hearts and minds remained darkened by sin and self-love. In the midst of a variety of measures and attacks that put stress on family life, and relationships, the Christian faith was increasingly solidified in the hearts of believers. It was shown to be worth living and dying for.

This reprint is important for a number of reasons. It is important that Christians know something of what some of their spiritual ancestors, brothers and sisters in the Lord, encountered and endured on behalf of the Lord Jesus. The reader will also see the importance to Protestants and Catholics of educating the next generation in terms of the faith of the group that controlled the town or city at any given time. Perhaps in our day we will take Christianity less for granted. Christians should have a greater appreciation for the location of Hungary and the battleground it became for Muslims, Catholics, and Protestants. Also, God is clearly seen as the One building His Church in the midst of tremendous opposition.

The publishers have printed a very attractive edition that deserves a wide reading.
